

JAWONIO Community Living Services

Warmth and Expertise in Every Home

At Jawonio, we pour our hearts into providing residential services that truly make a difference. We understand that every person is unique, which is why our dedicated team of direct support professionals, nurses and management teams offer a full spectrum of medical supports, balancing health care with social and recreational opportunities. We're especially committed to those with dual diagnoses and complex medical needs, focusing on what matters most: helping each individual feel a profound sense of inclusion, community participation, accomplishment, and personal identity. Our approach is deeply person-centered, meaning everything we do revolves around inspiring people to reach their fullest potential with a life filled with purpose and joy, today, and throughout their lifetime.
